

Minimum Qualification Specifications  
for the Class:

DENTAL HEALTH PROGRAM MANAGER

**License Requirement**

Applicants must possess a valid license to practice dentistry in the State of Hawaii.

**Experience Requirements**

Applicants must have had responsible experience of the kind and quality described in the statements below and in the amounts shown below, or any equivalent combination of training and experience.

Specialized Experience: Two (2) years of professional dentistry experience.

Supervisory Aptitude: Applicants must possess supervisory aptitude. Supervisory aptitude is the demonstration of aptitude or potential for the performance of supervisory duties through successful completion of regular or special assignments which involve some supervisory responsibilities or aspects of supervision, e.g., by serving as a group or team leader, or in similar work in which opportunities for demonstrating supervisory capabilities exist; or by the completion of training courses in supervision accompanied by application of supervisory skills in work assignments; and/or by favorable appraisals by a supervisor indicating the possession of supervisory potential.

Managerial Aptitude: Applicants must possess managerial aptitude. Managerial aptitude will be considered to have been met through successful performance of, or substantial participation in, organizing, scheduling, and coordinating a group of activities in order to attain program objectives within time, resource and budgetary limitations; interest in management demonstrated by the performance of work assignments in a manner which clearly indicates awareness of problems and the ability to solve them; completion of educational or training courses in the areas of management accompanied by the application of principles, which were learned, to work assignments; management's observation and evaluation of the applicant's leadership and managerial capabilities; success in trial assignments to managerial and/or administrative tasks.

**Quality of Experience**

Possession of the required number of years of experience will not in itself be accepted as proof of qualification for a position. The applicant's overall experience

must have been of such scope and level of responsibility as to conclusively demonstrate that he/she has the ability to perform the duties of the position for which he/she is being considered.

**Selective Certification**

Specialized knowledge, skills and abilities may be required to perform the duties of some positions. For such positions, Selective Certification Requirements may be established and certification may be restricted to eligibles who possess the pertinent experience and/or training required to perform the duties of the position.

Agencies requesting selective certification must show the connection between the kind of training and/or experience on which they wish to base selective certification and the duties of the position to be filled.

**Tests**

Applicants may be required to qualify on an appropriate examination.

**Physical and Medical Requirements**

Applicants must be able to perform the essential functions of the position effectively and safely, with or without reasonable accommodation.
